 for Wilson High School, Florence, SC) GRANTING
 29506, for Waiver of COCOT Guidelines.) REQUEST
)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Allie E. Brooks, Jr., (Brooks) the Principal of Wilson High School in Florence, South Carolina. Brooks asks that the four pay telephones currently located in the commons area of Wilson High School be converted from the present 10¢ unlimited time use status to the 25¢ per call four minute time limit status. Brooks states that the new parameters for the payphones need to be established because of increased demand by the students for use of the payphones.

We have examined this matter, and hold that Brooks' request should be granted. The pay telephones at Wilson High School in Florence may be converted to a 25¢ per four minute status, so that more students can get to use the phones.
